On The Road With.

## AVRIL LAVIGNE

On tour, the pop-punk singer is just one of the girls—pink guitars, BeDazzled hoodies and all

BY JESSICA HERNDON

## What I Eat on the Bus

To keep her energy up before concerts, she eats healthy during the day: “Vegetables, vegan sour cream, vegan butter. I steam broccoli,” she says. But after the show?

“I’ll eat junk and have a glass of wine. I like French fries and ice cream cones—and the truck-stop burritos.” Other must-haves: dill pickle-flavored chips from her native Canada.
